

Dear Business Neighbor:

Windermere Tree Board is hosting the 10th Annual Treebute, Saturday, January 18, 2014, from 10 a.m. – 4:00 p.m. in Windermere Town Square and Central Park and we are looking for participation from our business neighbors. The purpose of the event is to celebrate Florida Arbor Day and our 21st Year as a Tree City USA, encourage tree planting, tree care and support our Urban Forestry program.

This exciting event features a professional tree climbing competition with men and women climbers from USA, Canada and Europe. There is a kids tree climb that allows children to experience the wonder of tree climbing up high with supervision of professional arborists and tree climbing safety ropes, harnesses, helmets and glasses.

In Windermere Town Square, there will be Florida native hardwood, fruit and flowering trees and plants available for adoption and sale. Also featured will be the “Ask the Arborist” booth, Florida Forestry Service Smokey Bear, various vendors, artists, music, food, environmental education groups, child friendly activities, prize drawings and a silent auction. Educational presentations throughout the day by ISA arborists, IFIS and “Enchanted Walk-Abouts” will demonstrate nature education, environmental conservation practices, horticulture advice, proper tree planting, pruning and care of mature trees.

Windermere Tree Board would like you to join us in presenting a family friendly Arbor Day festival on January 18, 2014, from 10 a.m.-4 p.m. Set-up time for vendors is 7:00 a.m. the day of the event. Break-down time is 4:00 p.m. Display booth space is available to showcase products from companies, environmental efforts, artwork, crafts, outdoor events or green services. We encourage food vendors and exhibitors to think green and vend products in containers that are recyclable and use recycled products for your marketing materials

Thank you for your consideration. We look forward to sharing a beautiful Windermere Treebute & Arbor Day Festival together and 21 years as a Tree City USA.

Sincerely,

Theresa Schretzmann-Myers
 Windermere Tree Board Chairman
