Subject: Traffic Pattern Change

Dear Residents,

The Town's Public Works Department and K.C. Curb will be repairing the damaged edge of pavement and installing new concrete curbing along the western edge of South Main Street between 10th and 11th Avenues next week.

Southbound traffic will be detoured from Main Street to Dirt Main at 10th Avenue and then back to Main Street at 11th Avenue for several hours on Monday and again for several hours on Tuesday. The hours of work will be from 8am-12pm (times are subject to change). Northbound traffic will not be affected.

Regards,
