Officer Robert German

Officer Robert “Robbie” German began his career with the Windermere Police Department on December 19, 2008. He was very proud to work in the Town of Windermere and to serve the community. Robbie was loyal, dedicated, and passionate about his career in law enforcement. Robbie recently came off four months of light duty status for a shoulder surgery and spoke every day about his desire to return to work. Officer German recently received an award for his five years of dedicated service to the Windermere Police Department which was highlighted in the local West Orange Times.

A recent section in the Town of Windermere Fall 2013 Gazette highlighted Officer Robert German. It also captures Robbie’s own words about what it meant to him to be a police officer.

Born abroad in Burlington, Ontario, Canada, Robbie moved to Florida at the age of 5. Growing up in Sanford and Lake Mary he became a year-round-soccer player progressing to club select/travel teams during his middle and high school years enjoying state championship, interstate and international matches in Belgium. Graduating from Lake Mary High School in 2001 he proceeded to South Georgia College on an athletic scholarship where he studied business. Following work in airport operations, involving security and interaction with local police departments, Robbie realized his growing interest in law enforcement and made the decision to attend the Police Academy at Seminole State College.

“When pretty much everything you do has a direct and sometimes immediate impact on the safety of the community and its citizens it makes the work itself rewarding After 4 years in police work he continues to feel he made the right career choice.

“I feel fortunate to be working for the Windermere Police Department which has afforded me the opportunity to have a close camaraderie with fellow officers and has also allowed me to get to know many town residents on a more personal level”
